*Saint-Péray*  
APPELLATION CONTRÔLÉE  
HARMONIE

*First vintage produced in 2001.*

*With this blend of different plots, our aim is to express as accurately as possible the character of the Marsanne grape variety.*

\*

*The entire domain is cultivated using organic and biodynamic viticulture.*

#### TERROIR

The vines, on average thirty years old, are planted on *colluvium* mixed with coarse sand comprised of granite and clay-limestone.

#### 2019 VINTAGE

For the third year in a row, it was a hot and dry season, but less early than the two before. The hydric deficit and heats that blocked the maturities on some sensitive plots, have been compensated by two beautiful rains at the end of the season. Light powdery mildew pressure on all the vineyard. It should be noted that the historical terroir of Saint-Péray (old Marsanne vines on clay-limestone soils) shows excellent capabilities in heatwave conditions.

The quality of harvest was very good at the end, normal quantities, and very beautiful juices after the vinification.

#### COMMENTS

**2018 Vintage:** "The 2018 Saint-Péray Harmonie is another outstanding wine, showing a slightly fresher, medium-bodied yet concentrated style that has more citrus, white flowers, and classic salty minerality. Based all on Marsanne and a mix of terroirs, it's going to drink nicely right out of the gate"
